National Integrative Health

MANAGED CARE - HIGH-COST CLAIM INTERVENTION

Guaranteed Savings on High-Cost Drugs and Infusions.

No Upfront Cost. No Risk. Just Results.

National Integrative Health (NIH) is a fully integrated fiduciary pharmacy program. It adds a managed care layer to the plan you already have - coordinating data, clinical review, sourcing, site-of-care, actuarial support, stop-loss strategy, and reporting - to create validated savings with minimal disruption.

NO UPFRONT COST
No implementation fees. No PEPM or PMPM. Paid when savings are delivered.

START IMMEDIATELY
Implement anytime during the plan year without changing plan design.

MINIMAL DISRUPTION
Keep existing vendors and relationships. Members continue getting care.

20–30%
Average savings

50-85%
RX spend driven by just 5-8% of scripts

Savings are actuarially certified by the nation's top stop loss carriers and MGUs, typically producing 5-10% discounts on stop loss premiums.

How the Process Works

1. **Opportunities Identified**
2. **Lower Net-Cost Pathways Found**
3. **Member and Provider Coordination**
4. **Outcomes Validated and Reported**
